

Our Core Values, Vision and Mission

- **Customer Focused**

We are focused on our customers' needs

- **Healing Environment**

We create a place where patients can rest comfortably and heal

- **Accountability**

We are responsible for making sure what needs to be done gets done

- **Respect & Integrity**

We know and respect that each person has the same worth

Each staff member is committed to high work standards

- **Innovation**

We welcome and use creativity and imagination in our work

- **Teamwork**

We work together to meet customer needs

- **Yes, we can!**

We go out of our way to find ways to say “yes” to our customers
